2026 fundraising

A candle fundraiser is a fun and effective way for your team, school, or organization to earn money while offering products people love. Whether you're funding uniforms, trips, equipment, or events—our products will help you reach your goal!

Premium, Handcrafted Products

High-quality candles and diffusers that people love to buy (and gift!). Our scents are fresh, clean, and irresistible.

Easy to Organize

All orders are submitted through a customized website for your group or organization.

High Profit Margins

Earn generous commissions on each sale:
\$10/candle and \$5/car diffuser

No Upfront Costs

Start your fundraiser with zero risk. Simply share your fundraising link—simple and stress-free.

SCENTS THAT JUST MAKE CENTS

Shoppers will be able to choose from our most popular scents:

Candle options:

- Volcano - bright + citrusy
- Mahogany + Coconut - woody + clean
- Baja Cactus Blossom - light + floral

Car diffuser options:

- Volcano - bright + citrusy
- Mahogany + Coconut - woody + clean
- Black Ice - manly + clean

Orders will be given to seller unless shipping is selected at checkout.

Mali + Casey Candle Co. is a premium candle company using the highest quality, clean ingredients on the market.

FAQS

What is our profit?

Your organization/team will earn \$10/candle and \$5/car diffuser sold.

Is there a minimum amount to sell?

No, but we recommend you set a goal for each member or your organization or team – for example, sell 25 candles and 25 car diffusers each.

What are the shipping charges?

For those requiring their orders to be shipped, rates will vary. For orders only containing car diffusers, shipping is an additional \$4. For any order containing candle(s), shipping is \$10.

How do customers pay for their order?

All orders will be placed directly on your fundraising page on our website. Accepted payment methods include all major credit cards or Apple Pay.

How long does the fundraiser last?

We recommend keeping the website active approximately 2 weeks.

Can I choose scents not listed above?

Yes, based on availability. Extra charges may apply resulting in less profit for the organization. Contact us for more details or a quote on different scents options.

Do I need to collect money from shoppers?

No. All orders are placed online.

FAQS

Once orders are submitted, when will I receive the products?

Buyers that select shipping can expect to receive their orders within 2 weeks of purchase (usually sooner) with the exception of any unforeseen circumstances beyond our control such as supply chain failure, natural disasters, season weather, etc. Delivery can be longer during peak season times such as Thanksgiving and Christmas. All delivery dates and times are at the discretion of Mali + Casey Candle Co. For those orders going to the seller for local delivery (Phoenix area), we will contact the organizer after the fundraiser closes for pick-up details.

What happens if there are missing or broken items?

For orders being picked up locally, sellers or parents are responsible for checking orders for accuracy and damage before leaving the pick-up area. Any problems must be reported to Mali + Casey Candle Co. at that time. For those orders that are shipped, buyers must contact us directly within a week of receiving their order and include photos of both the damaged products and the packaging (damage to box, packing materials, etc.). We will ship the replacement products after receiving the discrepancy report and determination of error. All orders are triple checked and double packed. Errors or damage is rare.

When will we receive our funds? We will issue you a check to your organization within 3-5 business days from when the fundraiser closes. You'll also receive a sales report that includes total amount of items sold.

How do I get started?

Just fill out the online [Fundraiser Agreement form](#) and we'll contact you to get started!
